What a marvellous party you gave last evening - thank you so much.

Denis and I enjoyed it enormously, and am only sorry that I was not able to stay longer.

I thought that the flat was enchanting, and I was most envious of the kitchen.

What a super party yours was.

I enjoyed it enormously and it was very kind of you to have included me among so many diverse and fascinating guests.

I told Jane all about it afterwards and she was miserable about having to be in Eastbourne that evening (addressing the faithful).

You have made the flat absolutely enchanting. From what the Prime Minister told me about your kitchen, it is a very good thing Jane did not see it.

Thank you so much for a really lovely evening.
