My dear Prime Minister,

Your most

kind letter reached me when  
I returned from lunch I only  
knew to say how much I appreciated  
it I think the machine is  
very good now. You were so  
helpful and sympathetic. Yours

a trust and support is crucial  
on these occasions. I am so  
pleased Carl thought I did  
alright. after all he knows  
the business!!

Again my most  
grateful thanks.

Yours  
Lillian
